

FUSION 290 WFR-29C

Internet Radio / DAB+ / FM-RDS / USB
Network Music Player Digital Receiver

The sound of the Fusion 290 is very convincing despite its convenient size. The stereo speakers of the radio sound full and clearly represent all frequency ranges. Thanks to the audio equalizer, which is available for all playback modes, you can optimally adjust the sound to your needs. Use it for DAB+/FM/Internet radio or your own music via Spotify or Aux-in. The Fusion 290 is extremely portable because of the handle, making it perfect for a trip to the beach, a holiday or other activities!

It is also possible to play your MP3 files via an USB stick. Plug and play! The rapid battery charger makes sure you will be good to go: after charging inside, time for outside fun!
