

AQUATIC 201 H201

FM / AM

Digital Tuning Waterproof Radio

This AM/FM digital waterproof shower radio lets you listen to your favorite station while getting ready to go in the morning. Tune into a news station to get the latest updates as well as weather or traffic conditions, or listen to music or talk shows. The Aquatic 201 also has a clock so you can keep track of the current time while you listen and go through your cleaning regimen. A wall-mounting bracket keeps the unit securely in place while a shoulder carrying strap can be used to conveniently move it from place to place. You can also use double-sided adhesive squares to keep the radio firmly attached to your shower wall.

With the 10 station presets (5 FM, 5 AM) your favorite stations can quickly be stored. In case of need, you can use the Emergency buzzer or the build-in LED torch.
